All are invited to attend this annual community gathering at which we will offer to the nuns our material and financial donations. With current building projects now funded, our Kathina contributions this year will provide for the basic requisites of Aloka Vihara's bhikkhunis, samaneras, and anagarikas, allowing for the continued growth and flourishing of this vital Dhamma community.

Please join us in helping to support and strengthen the Bhikkhuni (Nuns) Sangha!
